

Stuttering A Clinical Symposium Croatia 2016

Sunday 2nd to Wednesday 5th October

Cavtat

Australian Stuttering Research Centre
The University of Sydney

The Children's Hospital
Zagreb

CONVENORS

MARK ONSLOW

SUZANA JELČIĆ JAKŠIĆ

ROBYN LOWE

The convenors are pleased to invite you to attend the third Croatian Clinical Symposium. The venue is Cavtat, overlooking the Adriatic Sea, near Dubrovnik, at the luxurious Hotel Croatia. The theme is research evidence for speech and psychological treatments for children and adults who stutter.

Presentations

On each morning there will be a presentation for each of the three Symposium topics: Early Childhood Treatment; Child and Adolescent Treatment; Adult Treatment.

Discussion Groups

Delegates will form groups after lunch and discuss the scientific rigor of the research presented during the morning and its clinical implications.

Final Plenary Session

Each day will conclude with a moderated plenary session that involves interaction between the three presenters for the day and the delegates.

PRESENTERS

Barry Guitar

Patricia Zebrowski

Sharon Millard
